Nordic Waterpolo Championships for Clubs

DEAR FRIENDS,

It is a great honor for Hovedstadens Svømmeklub to host the 2017 Nordic Championships for Clubs. We are delighted to welcome the teams from Norway, Sweden, Finland and Denmark to participate in this tournament for the first time in Denmark.

Over the weekend players from the nine clubs will play their very best water polo and compete for the honour of becoming this year's Nordic Champions. Best of luck to all the teams!

Danish swimming pools have very tight showering regulations to minimize the use of chlorine in the pool itself. So we kindly ask the players to respect this and shower without wearing bathing suits before entering the pool.
